Hello Dan,

This meeting was really great and highly efficient. Thanks for taking our input in how to roll out the next phase of development. I'm thinking that we put the part about "Coffees with the Community" in one of our e-mail blasts so that parents know that there's a time and place to get information and to ask questions on a regular basis. Unfortunately, it's during our Assembly time, but if it's a priority, they'll go. I'll also share what I noted down with Glendy.

Amy and Ginnia,

Ginnia, great seeing you yesterday! Amy, I hope you had a wonderful summer.

I wanted to make sure you saw my email from yesterday with updates regarding the proposed temporary bridge housing at [1533 Schrader Blvd](#). Please distribute to your community and let folks know they are welcome to take part in our coffee meetings. **Advance RSVP is required.** We will have 10 people per session and will do them as long as we need to, every

Wednesday AM at 9:00 AM. This will be a good opportunity to interact directly with the organizations who would be operating the proposed facility, should it be approved.

To make an RSVP, folks can contact me directly.

Please let me know if you have any questions.

Thank you,

Dan Halden

Subject: Updates re: Proposed Temporary Bridge Housing at [1533 Schrader Blvd](#) (Parking Lot 649)

To: Tony Arranaga <tony.arranaga@lacity.org>, Angelo Yenke <angelo.yenko@lacity.org>

Neighbors,

I hope you have all had a great summer. Councilmember O'Farrell asked me to share some important updates regarding the proposal to build a temporary bridge housing facility on City Parking Lot 649, located at [1533 Schrader Boulevard](#) in Hollywood. This facility would be built through Mayor Garcetti's "[A Bridge Home](#)" program.

- **Current Status:** The proposal is still being studied and is not yet an approved project. However, we expect the formal study to make its way back to City Council soon. You can subscribe to updates by following [this link](#) and clicking the "envelope" icon at the top of the page, where you will be asked to enter and verify your email address. Feedback from neighbors, service providers, and other stakeholders has been an important part of this process.
- **Recommended Provider(s):** As part of the proposal, the Los Angeles Homeless Services Authority (LAHSA) will be recommending that the

facility be jointly operated by People Assisting The Homeless ([PATH](#)), which manages several similar sites throughout California; and [The Center at Blessed Sacrament](#), which is located in the immediate neighborhood and currently provides services to local homeless individuals on a daily basis.

- **Upcoming Outreach:** As this proposal makes its way through the process, we want to make sure all interested stakeholders have the opportunity continue to ask questions and learn more, and to dialogue directly with PATH and The Center. Accordingly, The Center will be hosting **weekly "Coffee with the Community" on an ongoing basis**. These discussions will be open to the public on a first-come, first-serve basis, and will be held **every Wednesday morning, 9:00 AM, at The Center: [6636 Selma Avenue](#)**. There will be a limit of 10 guests each week, and you may RSVP for yourself plus one additional guest, max. To RSVP, please contact Dan Halden at daniel.halden@lacity.org or **(213) 207-3015**.
- **More Information:** Please feel free to check out the Hollywood 4WRD [website](#) devoted to this proposal. Hollywood 4WRD is a coalition of service providers in the area that has offered important feedback, guidance, and support for this proposal.

Please let me know if you have any questions and feel free to contact me at any time.

Warm Regards,

Dan Halden
